

## Financial-Literacy Requirements

As part of an effort to promote the inclusion of financial education in state standards and required courses, the Washington-based nonprofit group Jump\$tart Coalition for Personal Financial Literacy, and Citi, a global financial-services company, have mapped whether students are required to study financial education.

More information is available at [www.jumpstart.org/state\\_legislation.Index.cfm](http://www.jumpstart.org/state_legislation.Index.cfm).
