

School Day Pattern

Mathematics and humanities 'foundations' educators teach only one studio class a day, so while other colleagues are teaching the bulk of the afternoon courses, they have two hours for planning and goal-setting.

	9:00		1:00		4:00	5:30	
Student Schedule	Foundation Course	Foundation Course	Lunch	Studio Course	Studio Course	Studio Course	Extracurricular Activities (optional for students & staff)
Teacher Schedule	Foundation Course	Foundation Course		Studio Course	Common planning time for every Foundation Course teaching team every day (120 min)		

Foundation Courses
Every Morning
14-16 students per class (85 min)

Courses target five regents exams:

- ▶ Integrated algebra
- ▶ Global studies
- ▶ American history
- ▶ Living environment
- ▶ English

Studio Courses
Every Afternoon
24-28 students per class (60 min)

▶ Additional required courses:
 Other sciences, advanced math, foreign language, etc.

- ▶ Electives and enrichment offerings
- ▶ Mandated services
- ▶ Data-informed remediation
