Educational Research Service is the nonprofit organization serving the research and information needs of the nation's preK-12 education leaders and the public. Founded by the national school management associations, ERS provides quality, objective research and information that enable education leaders to make the most effective school decisions in both day-to-day operations and long-range planning. Refer to the end of this book for information on the benefits of an annual ERS subscription, and for an order form listing resources that complement this book. Or visit us online at www.ers.org for an overview of available resources.
