Educational Research Service is the nonprofit organization serving the research and information needs of the nation's preK-12 education leaders and the public. Founded by the national school management associations, ERS provides quality, objective research and information that enable education leaders to make the most effective and informed decisions in both day-to-day operations and long-range planning.

### Founding Organizations:

American Association of School Administrators  
American Association of School Personnel Administrators  
Association of School Business Officials International  
National Association of Elementary School Principals  
National Association of Secondary School Principals  
National School Public Relations Association

### Executive Staff:

John C. Draper, Ed.D., Chief Executive Officer  
Terri A. Behrens, Chief Operating Officer

### Author:

Robert Barkley, Jr.
