Implementing the Findings of Research: Bridging the Gap Between Knowledge and Practice

What We Know About

Frances Wallace, Karen Blase, Dean Fixsen, and Sandra Naoum
# Table of Contents

**About the Authors** .......................................................... v

**Foreword** ........................................................................ ix

**Acknowledgements** ......................................................... xi

**Chapter 1.** Introduction: Using Research to Improve Practice ..... 1

**Chapter 2.** Adopt, Adapt, or Implement? ............................ 11

**Chapter 3.** Purveyors ...................................................... 17

**Chapter 4.** Stages of Implementation ............................... 23

**Chapter 5.** Implementation Drivers: From Staff Selection to Systems Intervention ....................................................... 43

**Chapter 6.** Conclusions ................................................. 69

**References** ....................................................................... 73

**Appendix A:** Identifying and Implementing Educational Practices Supported by Rigorous Evidence: A User Friendly Guide ..... 85

**Appendix B:** Evaluating the Quality of Evidence From Correlational Research for Evidence-Based Practice .......... 121

**Appendix C:** Where to Find Evidence-Based Interventions...... 155
